Itinerary

Day 1: Arrive Colombo - Yala National Park

Be met by your A&K chauffeur guide for an early transfer from Colombo to Yala National Park, Sri Lanka's second largest wildlife park. Stretching from the coast to the jungle, Yala is in the island's southeast.

Boasting the highest concentration of leopards in the world, Yala National Park also has an abundance of other wildlife including sloth bear, herds of Asian elephants, buffalo, monkeys, sambar, mongoose, deer, toque macaque, golden palm civet, red slender loris, crocodiles in its diversity of habitats. With large flocks of migratory and indigenous birds, the bird watching is outstanding year-round

On arrival check in to your luxury accommodation and following lunch enjoy a private evening game drive accompanied by your specialist ranger / trekker. Return to your lodge and join other guests discussing your wildlife sightings.
