Itinerary

Day 1: Arrival Havana - Cayo Santa Maria.

Private transfer from Havana to Cayo Santa Maria, the largest and most northerly caye in the Cayos de la Herradura archipelago off the north coast of central Cuba. En route, visit Remedios to explore this picturesque small town's atmospheric streets and colonial square before continuing to the Atlantic coast. Cross the 50km causeway linking the Northern cayes to the mainland and discover a network of small islets in this paradise of turquoise waters, mangrove colonies and impossibly white beaches. Check into your five-star all-inclusive eco resort, which feels like an untouched hideaway, and leave the world behind.

Days 2-3: Cayo Santa Maria.

Let your resort become your sanctuary for two whole days at leisure. Wake up with the sun, emerge from your opulent quarters and spend the day lazing on the unspoilt Playa Perla Blanca. Snorkel and dive in azure waters. Find your inner calm in yoga, Pilates, or opt for a spa treatment. Stroll secluded white-sand beaches and swim in the warm deep blue water. Or venture out to explore the surrounding beaches and coves. Here, you can do as much or as little as you desire.
