Sanctuary Chief's Camp, Moremi Game Reserve

Sanctuary Chief's Camp sits silent among the glassy waters of the seasonal flood waters. Sited in the exclusive Mombo concession of the Moremi Game Reserve, this camp has been seamlessly integrated into the environment of winding waterways, reedbeds, mopane woodlands and seasonal lagoons. The area's game is outstanding: lions are frequently seen and the area is one of the few places in Botswana offering a 'Big Five' experience. Access to Sanctuary Chief's Camp is by light aircraft, using the private landing strip just 15 minutes' drive away. The swimming pool is perfect to escape from the heat of the day. Sanctuary Chief's Camp also has a small library. Sanctuary Baines' Camp, Okavango Delta

Effortlessly romantic and set amongst shady trees and huge termite mounds nestles the small and intimate Sanctuary Baines' Camp. Poised between the plains game of Moremi and the permanent waters of the Okavango Delta, the area is great for all bird and animal species. A further unique attraction is the chance to meet the orphan elephants adopted by naturalists Doug and Sandy Groves and interact with these gentle giants in their calming, natural environment.

The main area has a deck for outdoor dining and views over the permanent water of the lagoon. The little luxuries are well represented here: there is a swimming pool with private salas for relaxation. To explore on land, game drives in 4x4 vehicles will get you close to Africa's greatest predators by day and in this private reserve, continue well after dark. The permanent water opens up the whole world of floating safaris, atmospherically silent at the gentle pace of a poled mokoro. Truly an eco-camp, the camp walls have been made from recycled materials and neutrally decorated to blend in with the natural habitat.

Sanctuary Baines' Camp has just five luxury suites. All have en suite facilities, mini bars and ceiling fans. The suites are set on elevated platforms, with wooden decks overlooking the permanent water of the Boro River.
