### **Day 6: Sepik Region | Secluded Riverine Wilderness**

This morning, board your charter flight to a private airstrip secluded deep within the riverine wilderness of the Sepik region. A small boat ferries you on to your lodge, where you are greeted with lunch. After settling in, embark on a river safari exploring the Karawari, a remote tributary of the mighty Sepik. This region is one of the most remote and un-spoiled destinations in all of Papua New Guinea. Here, the river is central to daily life, with men paddling narrow dugout canoes full of goods for trade, women fishing or making meals and children joyfully splashing along the river bank. Watch for examples of tribal art on display; each village boasts a unique style and every villager is an artisan. Notice there are no roads and no shops, as the people live completely off the land and river, weaving baskets for catching fish and gathering their staple food, the sago palm. This afternoon, visit a nearby village to learn how this vital resource is harvested and prepared for consumption by local tribal members.

***Karawari Lodge | Meals: BLD***

### **Day 7: Sepik Region | Cast Off For Adventure**

Today, board 'Sepik Spirit,' your floating home for the next three nights. Settle into life aboard this three-level, 30 meter river cruiser. Onboard amenities include a lounge, dining room, bar, screened-in observation deck, air conditioning and nine comfortable cabins with en suite bathrooms. Your riverboat home is an oasis in this remote jungle, affording an exceptional vantage of the riverine wilderness that surrounds you. Browse tribal handicrafts such as masks, flutes and spirit figures in the villages' low-pressure markets. Relax with a picnic by the forested banks of the Karawari River, watching as local men gather on their clan's bench, children paddle canoes to school and women fish with hand lines.
