## Journey Overview

Delfin Amazon Cruises take travellers on exclusive journeys into one of the world's largest protected flooded forests, the Pacaya Samiria National Reserve. Experienced guides reveal the immense biodiversity of the area on voyages which include kayaking in the calm creeks and lakes, fishing for piranhas at sunset, skirting the riverbanks in search of playful creatures, birdwatching, swimming near pink river dolphins, trail walks, night safaris and visits to local communities.

On board, exquisite Amazonian cuisine is served up in an authentic, intimate setting with just the right amount of elegance and comfort. There are three vessels to choose from, Delfin I, II and III, accommodating between eight and 43 guests, with cruises of three or four nights duration carefully crafted to showcase the best flora and fauna that the Marañon and Ucayali Rivers offer.

*Cruises from 4 to 5 days are available. **Call for a quote.***
