Feb 28-29: Serengeti

Spend the next two days exploring Serengeti National Park on morning and afternoon game drives, ever on the lookout for Africa's Big Five animals—the lion, leopard, elephant, rhinoceros and Cape buffalo. Your visit is well timed with wildebeest calving season, when more than 8,000 of calves are born. Enjoy an optional hot air balloon safari (at an additional cost), gliding over the Serengeti for a unique perspective, followed by a champagne toast and breakfast on the savannah. This evening, sit down to a specially prepared private dinner in the bush.
