This morning the train makes a scheduled stop at Oswiecim, the station for Auschwitz-Birkenau where we will make a 2-hour visit to the location of the evocative concentration camp and museum. Declared by UNESCO as a World Heritage Site, embark upon a deeply moving guided tour which stands as a stark reminder of the horrors that took place here. Today, Auschwitz-Birkenau is preserved as a museum allowing visitors to reflect on the atrocities of the Holocaust and learn of the camp's history.

From here continue by coach into the centre of stunning Krakow where you will enjoy lunch overlooking the beautiful Old Town Square. After lunch walk the streets of the Old Town including a visit to Wawel Royal Cathedral, followed by a panoramic tour of the Kazimierz Jewish district.

Day 5: Warsaw

This morning arrive to the Polish capital of Warsaw and where you will appreciate the extraordinary transformation of a place once almost destroyed by war. When you cross the Vistula River and look at the Old Town from a distance, you are struck by how unusual the panorama of the city is – skyscrapers rise above the red roofs of the Old Town. Historical buildings blend in harmoniously with modern architecture, and the city surprises us by revealing its second face.

Your guided tour takes you on a journey through the Old Town and along the Royal Route before heading into the area of the former Warsaw Ghetto. The Old Town boasts a nostalgic charm with its colourful townhouses and the exceptional atmosphere of its narrow streets. The Royal Route connects three former residences of Polish rulers: Royal Castle, Royal Lazienki and Wilanów Palace. We finish our morning at Lazienki Royal Park where we enjoy lunch at the Belvedere Restaurant situated in the park.

After lunch enjoy a private Chopin piano recital at one of the historical palaces in the park before returning to the train for dinner.

Day 6: Malbork & Gdansk

This morning you'll visit Malbork whose castle, a UNESCO World Heritage Site, was the seat of the Teutonic State from 1280. Teutonic Knights originally built a fortified monastery here, later known as the Upper Castle. In the 13th century a huge brick fortress was completed and stands overlooking the River Nogat. The museum houses valuable collections of artistic amber wares, old weapons, and military equipment.

Return to the train for lunch and continue your journey through Poland towards Gdansk.

The coastal region of Poland has an important place in Polish consciousness as a key location at the start of World War Two in September 1939. This is also where the famous Solidarity independent trade union movement started in 1980 for the protection of worker's rights, which later became the symbol of resistance against the government and where the fall of Communism in Central Europe began.

Spend the afternoon exploring the waterfront shipbuilding city of Gdansk. Your visit will include a tour of the remarkable European Solidarity Centre in Gdansk, which presents the 20th century history of the political changes leading to the collapse of communism and the Soviet Union.

You'll also enjoy an organ concert at Oliwa Cathedral and a visit to Długi Targ (Long Market), one of the most beautiful streets of old Gdansk.

Day 7: Berlin

Whilst enjoying breakfast on board, you will arrive into Berlin for a full day's programme. After years of division, Berlin has risen once again to become one of Europe's most glamorous capital cities, with superb museums, fine churches, wide boulevards, and a thriving cultural life.

You have the choice this morning to see the city either by bicycle or by bus. Both tours include highlights of both East and West Berlin and the Reichstag, the famous Renaissance style building that once again houses Germany's parliament. After the tour enjoy lunch with the stunning views of the Brandenburg Gate and the Reichstag.

This afternoon a range of options include taking in more of the city's sights including the East Side Gallery Berlin Wall memorial with the opportunity to drive a VEB Trabant, your very own authentic East German vehicle. A unique hands-on experience across the once-divided city of Berlin!

For guests not taking the driving experience option, there will be free time this afternoon with the opportunity to visit the museum of your choice such as the Topography of Terror; or take time for reflection and contemplation at the poignant Memorial to the Murdered Jews of Europe. There will also be time for shopping along the elegant Kurfürstendamm boulevard.

Day 8: Dresden & The Elbe Valley

This morning you will arrive in the city of Dresden, located in the region of Saxony. Leave the city behind to enjoy a visit to nearby Wackerbarth Castle, nestled in the delightful landscapes of the Elbe Valley. The castle has been a by-word for elegant wines, sparkling wines, and Saxon joie de vivre and now presents the 800-year-old tradition of winegrowing in Saxony in its most stylish form. Here you will enjoy a tour of the vineyard and experience a wine tasting where you will be introduced to three of the estate's own wines.

Return to the train for a late lunch as we head to the Czech Republic arriving late afternoon in Prague, where you will enjoy dinner in a local restaurant and have time to wander through the Old Town in the evening.

Day 9: Prague

Prague is one of the most beautifully preserved cities in Europe. It spans the Vltava River and is dominated by the 9th century Prague Castle, a stunning sight that can be seen almost anywhere in the city. Your tour takes in the Old Town Square with its many historic buildings and Astronomical Clock, the historic 14th century Charles Bridge and the Jewish Quarter.

Lunch will be served overlooking the architectural treasures of this 'City of a Hundred Spires'.

After lunch enjoy a vintage tram to travel through the city up the hill to Prague Castle and the gothic St. Vitus Cathedral. The castle and its surrounding architectural gems occupy a hillside overlooking the city and river. From here you will take a relaxing cruise up the river Vltava by private boat with cocktails on board.

Day 10: Salzburg

Today you will explore Salzburg, starting at Mirabell Palace located in the heart of the city. Listed as a UNESCO World Heritage Site, the baroque 17th century palace is easily one of the most stunning landmarks in the city and made famous in more modern times as a location used in The Sound of Music.

A short distance from the palace on Market Square (Marketplatz) you will see the former Mozart Residence, now a museum. From here, cross the Makartsteg bridge into the Old Town and walk along the Getreidegasse, Salzburg's most famous street which is renowned for its wrought-iron trade signs and the birthplace of Mozart.

For more than 400 years Hellbrunn Palace has enchanted its visitors with its 'trick' fountains. The idyllic location in the south of Salzburg served as a summer retreat for the Prince-Archbishop of Salzburg. Its baroque exterior conceals an exuberant interior made for entertaining, though the real draws are the whimsical trick fountains (Wasserspiele) in the gardens, which spew water from unexpected places.

Day 11: Vienna

This morning enjoy your final breakfast onboard as you leave Salzburg on a majestic morning's journey over the breathtaking Semmering Pass before your lunchtime arrival into Vienna.

A seductive metropolis of elaborate palaces, renowned coffee houses, classical music and enchanting opera, Vienna is a magnificent city which continues to enthrall. This evening, enjoy a private concert at the House of Mozart, featuring the Vienna Supreme Orchestra.
